greater than five percent of the admitted assets of the controlled insurer, as reported in the controlled insurer's quarterly statement filed as of September 30 of the prior year.

- B. Notwithstanding the provisions of subsection A of this section, the provisions of subsections A, C, D and E of this section shall not apply if:
- 1. The controlling producer (i) places insurance only with the controlled insurer, or only with the controlled insurer and a member or members of the controlled insurer's holding company system, or the controlled insurer's parent, affiliate or subsidiary and receives no compensation based upon the amount of premiums written in connection with such insurance and (ii) accepts insurance placements only from nonaffiliated subproducers and not directly from insureds; and
- 2. The controlled insurer, except for insurance business written through a residual market facility such as the Virginia Automobile Insurance Plan, as set forth in § 38.2-2015, or the Virginia Property Insurance Association, as set forth in Chapter 27 (§ 38.2-2700 et seq.), or the Virginia Wind Underwriting Association as set forth in Chapter 29.1 (§ 38.2-2914 et seq.), accepts insurance business only from a controlling producer, a producer controlled by the controlled insurer, or a producer that is a subsidiary of the controlled insurer.
- C. A controlled insurer shall not accept business from a controlling producer and a controlling producer shall not place business with a controlled insurer unless there is a written contract between them specifying the responsibilities of each party, which contract has been approved by the board of directors of the insurer and contains the following minimum provisions:
- 1. The controlled insurer may terminate the contract for cause, upon written notice to the controlling producer. The controlled insurer shall suspend the authority of the controlling producer to write business during the pendency of any dispute regarding the cause for the termination;
- 2. The controlling producer shall render accounts to the controlled insurer detailing all material transactions, including information necessary to support all commissions, charges and other fees received by, or owing to, the controlling producer;
- 3. The controlling producer shall remit all funds due under the terms of the contract to the controlled insurer on at least a monthly basis. The due date shall be fixed so that premiums or installments thereof collected shall be remitted no later than ninety days after the effective date of any policy placed with the controlled insurer under this contract;
- 4. All funds collected for the controlled insurer's account shall be held by the controlling producer in a fiduciary capacity, in one or more appropriately identified bank accounts in banks that are members of the Federal Reserve System, in accordance with the provisions of the insurance law as applicable. However, funds of a controlling producer not required to be licensed in this Commonwealth shall be maintained in compliance with the requirements of the controlling producer's domiciliary jurisdiction;

- 5. The controlling producer shall maintain separately identifiable records of business written for the controlled insurer;
- 6. The contract shall not be assigned in whole or in part by the controlling producer;
- 7. The controlled insurer shall provide the controlling producer with its underwriting standards, rules and procedures, manuals setting forth the rates to be charged, and the conditions for the acceptance or rejection of risks. The controlling producer shall adhere to the standards, rules, procedures, rates and conditions. The standards, rules, procedures, rates and conditions shall be the same as those applicable to comparable business placed with the controlled insurer by a producer other than the controlling producer;
- 8. The rates and terms of the controlling producer's commissions, charges or other fees and the purposes for those charges or fees shall be specified. The rates of the commissions, charges and other fees shall be no greater than those applicable to comparable business placed with the controlled insurer by producers other than controlling producers. For purposes of this subdivision and subdivision 7 of this subsection, examples of "comparable business" include the same lines of insurance, same kinds of insurance, same kinds of risks, similar policy limits, and similar quality of business;
- 9. If the contract provides that the controlling producer, on insurance business placed with the insurer, is to be compensated contingent upon the insurer's profits on that business, then such compensation shall not be determined and paid until at least five years after the premiums on liability insurance are earned and at least one year after the premiums are earned on any other insurance. In no event shall the commissions be paid until the adequacy of the controlled insurer's reserves on remaining claims has been independently verified pursuant to subdivision 1 of subsection E of this section;
- 10. The contract shall place a limit on the controlling producer's writings in relation to the controlled insurer's surplus and total writings. The insurer may establish a different limit for each line or sub-line of business. The controlled insurer shall notify the controlling producer when the applicable limit is approached and shall not accept business from the controlling producer if the limit is reached. The controlling producer shall not place business with the controlled insurer if it has been notified by the controlled insurer that the limit has been reached; and
- 11. The controlling producer may negotiate but shall not bind reinsurance on behalf of the controlled insurer on business the controlling producer places with the controlled insurer, except that the controlling producer may bind facultative reinsurance contracts pursuant to obligatory facultative agreements if the contract with the controlled insurer contains underwriting guidelines including, for both reinsurance assumed and ceded, a list of reinsurers with which such automatic agreements are in effect, the coverages and amounts or percentages that may be reinsured and commission schedules.
- D. Every controlled insurer shall have an Audit Committee of the Board of Directors composed of

independent directors. The Audit Committee shall annually meet with management, the insurer's independent certified public accountants, and an independent casualty actuary or other independent loss reserve specialist acceptable to the Commission to review the adequacy of the insurer's loss reserves.

- E. The controlled insurer shall obtain annually prior to March 1 of each year the following data and reports:
- 1. In addition to any other required loss reserve certification, an opinion of an independent casualty actuary reporting loss ratios for each line of business written and attesting to the adequacy of loss reserves established for losses incurred and outstanding as of year's end (including incurred but not reported) on business placed by the producer; and
- 2. The controlled insurer shall annually report to the Commission the amount of commissions paid to the producer during the preceding calendar year, the percentage such amount represents of the net premiums written and comparable amounts and percentage paid to noncontrolling producers for placements of the same kinds of insurance.

The data and reports required by this subsection shall be retained by the insurer for a period of not less than five years and shall be filed with the Commission upon request.

If the notices sent to the insured and the lienholder are part of the same form, the insurer may retain a single copy of the notice. The registered, certified or regular mail postal receipt and copy of the notices required by this section shall be retained by the insurer for at least one year from the date of termination.
- 2. Notwithstanding the provisions of subdivision C 1, if the terms of the policy require the notice of cancellation or refusal to renew to be given to any lienholder, the insurer and lienholder may agree by separate agreement that such notices may be transmitted electronically provided that the insurer and lienholder agree upon the specifics for transmittal and acknowledgement of notification. - A. Notwithstanding the provisions of § 38.2-2105, no policy or contract written to insure owner-occupied dwellings shall be canceled by an insurer unless written notice is mailed or delivered to the named insured at the address stated in the policy, and cancellation is for one of the following reasons:

- 2. Conviction of a crime arising out of acts increasing the probability that a peril insured against will occur;

No policy or contract written to insure owner-occupied dwellings shall be terminated by an insurer by refusal to renew except at the expiration of the stated policy period or term and unless the insurer or its agent acting on behalf of the insurer mails or delivers to the named insured, at the address stated in the policy, written notice of the insurer's refusal to renew the policy or contract.
- C. A written notice of cancellation of or refusal to renew a policy or contract written to insure owner-occupied dwellings shall:
- 1. State the date that the insurer proposes to terminate the policy or contract, which shall be at least 30 days after mailing or delivering to the named insured the notice of cancellation or refusal to renew. However, when the policy is being terminated for the reason set forth in subdivision 1 of subsection A of this section, the date that the insurer proposes to terminate the policy may be less than 30 days but at least 10 days from the date of mailing or delivery;

The policy shall remain in full force and effect during the pendency of the review by the Commissioner except where the cancellation or refusal to renew is for reason of nonpayment of premium, in which case the policy shall terminate as of the date stated in the notice. Where the Commissioner finds from the review that the cancellation or refusal to renew has not complied with the requirements of this section or of § 38.2-2113, if sent by mail, he shall immediately notify the insurer, the insured, and any other person to whom notice of cancellation or refusal to renew was required to be given by the terms of the policy that the cancellation or refusal to renew is not effective. Nothing in this section authorizes the Commissioner to substitute his judgment as to underwriting for that of the insurer.
- E. Nothing in this section shall apply:
- 1. To any policy written to insure owner-occupied dwellings that has been in effect for less than 90 days when the notice of termination is mailed or delivered to the insured, unless it is a renewal policy;
- 2. If the insurer or its agent acting on behalf of the insurer has manifested its willingness to renew by issuing or offering to issue a renewal policy, certificate or other evidence of renewal, or has otherwise manifested its willingness to renew in writing to the insured. The written manifestation shall include the name of a proposed insurer, the expiration date of the policy, the type of insurance coverage and information regarding the estimated renewal premium;
- 3. - 4. To any contract or policy written through the Virginia Property Insurance Association or any residual market facility established pursuant to Chapter 27 (§ 38.2-2700 et seq.) of this title; *or*
- 5. To any contract or policy written through the Virginia Wind Underwriting Association established

pursuant to Chapter 29.1 (§ <u>38.2-2914</u> et seq.).

- F. Each insurer shall maintain, for at least one year, records of cancellation and refusal to renew and copies of every notice or statement referred to in subsection E of this section that it sends to any of its insureds.
- G. There shall be no liability on the part of and no cause of action of any nature shall arise against the Commissioner or his subordinates; any insurer, its authorized representative, its agents, or its employees; or any firm, person or corporation furnishing to the insurer information as to reasons for cancellation or refusal to renew, for any statement made by any of them in complying with this section or for providing information pertaining to the cancellation or refusal to renew.
- H. Nothing in this section requires an insurer to renew a policy written to insure owner-occupied dwellings, if the insured does not conform to the occupational or membership requirements of an insurer who limits its writings to an occupation or membership of an organization.
- I. No insurer or agent shall refuse to renew a policy written to insure an owner-occupied dwelling, solely because of any one or more of the following factors:

- 11. Credit information contained in a "consumer report," as defined in the federal Fair Credit Reporting Act, 15 U.S.C. § 1681 et seq., bearing on a natural person's creditworthiness, credit standing or credit capacity. If credit information is used, in part, as the basis for the nonrenewal, such credit information shall be based on a consumer report procured within 120 days from the effective date of the nonrenewal;
- 12. Any claim resulting primarily from natural causes;
- 13. One or more claims that were incurred more than 60 months immediately prior to the expiration of the current policy period; or
- 14. Any inquiry from an insured about his insurance coverage or policy provisions. For purposes of this subdivision, "inquiry" means a written or oral communication by an insured seeking information regarding coverage or policy provisions that does not notify the insurer of a loss, incident or accident, and that does not provide information indicating an increase in the hazard insured against. An insurer shall not report any inquiry as a claim to a loss history database maintained by a consumer reporting agency or insurance support organization.

Nothing in this section prohibits any insurer from setting rates in accordance with relevant actuarial data.

J. No insurer shall cancel or refuse to renew a policy written to insure an owner-occupied dwelling because an insured under the policy is a foster parent and foster children reside at the insured dwelling.

CHAPTER 29.1. WIND INSURANCE POOL.

§ 38.2-2914. Definitions.

As used in this section, unless the context requires otherwise:

"Association" means the Virginia Wind Underwriting Association established pursuant to the provisions of this chapter.

"Coastal area" means all areas in Accomack and Northampton Counties and the Cities of Chesapeake, Hampton, Norfolk, and Virginia Beach.

"Essential property insurance" means insurance against direct loss to property from the risk of windstorm in the manner as defined and limited in the wind insurance policy and forms approved by the Commission. Essential property insurance shall not include coverage for any loss other than the actual cash value at the time of loss of the structure and contents. The extent of risk covered, the insuring language and the exclusions are all subject to approval by the Commission. Policies, rules and rates shall be filed with the Commission in the manner provided for insurance companies.

"Insurable property" means immovable property at fixed locations in coastal areas of the Commonwealth, or tangible personal property located therein, which property is determined by the Association to be in an insurable condition as determined by reasonable underwriting standards, but not to include farm or manufacturing property, or motor vehicles. Any structure not constructed in substantial compliance with the applicable building code in effect at the time of its construction is not an insurable property.

"Net direct premiums written" means gross direct premiums written in the Commonwealth on all policies of fire and extended coverage insurance, including the fire and extended coverage components of homeowners policies and commercial multiple peril package policies, excluding reinsurance assumed and ceded written on property other than farm or manufacturing in the Commonwealth, (i) all return premiums on the policy, (ii) dividends paid or credited to policyholders, and (iii) the unused or unabsorbed portions of premium deposits.

"Plan of operation" means the plan of operation of the Association approved or promulgated by the Commission pursuant to the provisions of this chapter.

§ 38.2-2915. Virginia Wind Underwriting Association created; governing body.

A. There is created the Virginia Wind Underwriting Association, an unincorporated association whose responsibilities, liability, and regulations are governed and defined by this chapter, consisting of all private insurers authorized to write property insurance or other insurance that contains a property insurance component in the Commonwealth, but excluding insurers exempted from rate regulation by subsection C of § 38.2-1902. Each insurer that is required to be a member of the joint underwriting association shall remain a member as a condition of its license to write property insurance and other insurance that contains a property insurance component in this Commonwealth.

B. The Association shall be governed by a board of 15 directors. Four directors shall be appointed by the Commissioner, two of whom shall be property and casualty insurance agents and two of whom shall be from the general public. The remaining 11 directors shall be elected annually by a cumulative vote of the Association's members, whose votes shall be weighted in accordance with each member's premiums written during the preceding calendar year. The first board shall be elected at a meeting of the members or their authorized representatives, which shall be held within 30 days after approval of the plan of operation as provided in § 38.2-2916.

§ <u>38.2-2916</u>. Plan of operation.

A. By September 1, 2008, the Association shall submit to the Commission for its review a proposed plan of operation consistent with this chapter.

B. The Association shall operate pursuant to a plan of operation that shall provide for the efficient, economical, fair, and nondiscriminatory administration of the Association and for the prompt and

efficient provision of essential property insurance in the coastal areas of the Commonwealth so as to promote orderly community development in those areas and to provide means for the adequate maintenance and improvement of the property in such areas. The plan shall include the establishment of necessary facilities, management of the association, a plan for the assessment of members to defray losses and expenses, reasonable underwriting standards, commissions to be paid to agents or brokers, procedures for the acceptance and cession of reinsurance, procedures for determining the amounts of insurance to be provided to specific risks, time limits and procedures for processing applications for insurance, and for any other provisions considered necessary by the Commission to carry out the purposes of this chapter.

C. The plan of operation shall be subject to approval by the Commission after consultation with affected individuals and organizations, and shall take effect 10 days after its approval. If the Commission disapproves all or any part of the proposed plan of operation, the Association shall within 30 days submit for review an appropriately revised plan of operation. If the Association fails to submit a revised plan, or if the revised plan is unacceptable, the Commission shall promulgate whatever plan of operation it deems necessary to carry out the purposes of this chapter.

D. The Association may, on its own initiative or at the request of the Commission, amend the plan of operation. Any amendment to the plan of operation shall be subject to the Commission's approval.

§ 38.2-2917. Powers of Association.

The Association shall, pursuant to this chapter and the plan of operation, have the power to (i) cause to be issued policies of essential property insurance on qualified property to applicants; (ii) assume reinsurance on qualified property from members; and (iii) cede reinsurance.

§ <u>38.2-2918</u>. *Limits of liability*.

Insurance effected pursuant to this chapter shall have limits of liability provided in the plan of operation. The Commission shall approve the limits. Excess insurance is not permitted until the maximum available under the plan has been purchased. Thereafter, excess insurance may be purchased and must be included for the purpose of meeting any coinsurance requirement.

§ 38.2-2919. Application for coverage; issuance of policy.

A. Any person having an insurable interest in insurable property is entitled to apply to the Association for coverage and for an inspection of the property. The application must be made on behalf of the applicant by a licensed broker or agent authorized by him. Applications must be submitted on forms prescribed by the Association and approved by the director or his designee. The application shall contain a statement as to whether or not there are any unpaid premiums due from the applicant for fire insurance on the property. The term "insurable interest" as used in this section includes any lawful and substantial economic interest in the safety or preservation of property from loss, destruction, or

pecuniary damage.

B. If the Association determines that the property is insurable and that there is no unpaid premium due from the applicant for prior insurance on the property, the Association upon receipt of the premium, or such portion thereof as is prescribed in the plan of operation, shall cause to be issued a policy of essential property insurance for a term of at least one year.

§ 38.2-2920. Duties of members of Association; limitation on liability.

A. All members of the Association shall participate in its writings, expenses, profits, and losses in the proportion that the net direct premium of the member written in the Commonwealth during the calendar year two years before the current year bears to the aggregate net direct premiums written in the Commonwealth by all members of the Association, as certified to the Association by the Commission after review of annual statements, other reports, and other statistics that the Commission considers necessary to provide the information required and that the Commission is authorized to obtain from a member of the Association. After certification by the Commission, the Association may rely on the member company's annual statement in determining the company's participation in profits and losses for each year.

B. Each member's participation in the Association shall be determined annually in the same manner as the initial determination. An insurer authorized to write and engage in writing insurance, the writing of which requires the insurer to be a member of the Association pursuant to § 38.2-2915, becomes a member of the Association on January first immediately following the authorization. The determination of the insurer's participation in the Association shall be made as of the date of the membership in the same manner as for all other members of the Association. Member insurers shall receive credit annually for essential property insurance voluntarily written in the coastal area and their participation in the writings of the Association shall be reduced accordingly. The board of directors shall authorize the method of determining the credit. In order to receive credit for essential property voluntarily written in the coastal area, each member company shall submit its requests by March 31 of the year for which credit is sought.

C. The assessment of a member insurer after hearing may be ordered deferred in whole or in part upon application by the insurer if, in the opinion of the Commission, payment of the assessment would render the insurer insolvent or in danger of insolvency or would otherwise leave the insurer in a condition so that further transaction of the insurer's business would be hazardous to its policyholders, creditors, members, subscribers, stockholders, or the public. If payment of an assessment against a member insurer is deferred by order of the Commission in whole or in part, the amount by which the assessment is deferred must be assessed against other member insurers in the same manner as provided in this section. In its order of deferral, or in necessary subsequent orders, the Commission shall prescribe a plan by which the assessment so deferred must be repaid to the association by the impaired insurer with interest at the six month treasury bill rate adjusted semiannually. Profits, dividends, or other funds of the Association to which the insurer is otherwise entitled shall not be distributed to the impaired insurer

but shall be applied toward repayment of an assessment until the obligation has been satisfied. The Association shall distribute the repayments, including interest, to the other member insurers on the basis at which assessments were made.

- § <u>38.2-2921</u>. Contested assessment or interest levy by Association; payment under protest; appeal; exposure to disciplinary procedures.
- A. If a member company perceives an assessment or interest levied by the Association to be unjust or illegal, the company shall pay the assessment or interest under protest in writing within 30 days of the assessment or interest charge. Upon receiving this payment, the Association shall pay the money collected into the Association account and designate the money as having been paid under protest.
- B. A member company paying an assessment or interest under protest shall appeal to the Association within 30 days after making the payment. If it is determined in that appeal that the assessment or interest was collected unjustly or illegally, the Association shall refund the assessment or interest to the payor.
- § <u>38.2-2922</u>. Ceding essential property insurance to Association.

Any member of the Association may cede to the Association essential property insurance written on qualified property, to the extent and on the terms and conditions set forth in the plan of operation.

§ <u>38.2-2923</u>. Supervision and regulation by Commission.

The Association shall at all times be subject to the supervision and regulation of the Commission. The Commission, or any person designated by it, shall have the power:

- 1. To visit and examine the operations of the Association;
- 2. To examine directors, officers, agents, employees, or any other person having knowledge of those operations;
- 3. To summon and qualify witnesses under oath and, pursuant to these powers, to have free access to all books, records, files, papers and documents that relate to those operations; and
- 4. To require that the Association file annually a financial report that is approved by the board of directors and prepared in a form prescribed by the Commission. Unless the Commission provides otherwise, the report shall be filed within 120 days after the end of each fiscal year and shall be for the preceding 12 months.
- § <u>38.2-2924</u>. Immunity from liability; reports not public documents.

A. There shall be no liability on the part of, and no cause of action shall arise against any insurer, the Association, or its directors, governing committee members, officers, agents or employees, or the Commission or its authorized representatives, for any action taken by them in good faith in the performance of their powers and duties under this chapter, nor for any inspections undertaken or statements made by them (i) in any reports and communications concerning the property insured or to be insured, (ii) at the time of the hearings conducted in connection with the property insured or to be insured, or (iii) in the findings required by this chapter.

B. The reports and communications of the Association shall not be public documents.

§ 38.2-2925. Obligations not to be impaired in event of repeal of chapter.

If the General Assembly repeals this chapter, (i) the obligations incurred by the Association and policies issued by either organization or its members shall not be impaired by the repeal and (ii) the Association shall be continued until they have fully performed their respective outstanding obligations.
