Reliance Insurance Company (In Liquidation) and
Hannover Rueckversicherung AG and E + S Rueckversicherung AG,
formerly known as Eisen und Stahl Rueckversicherungs AG*

ORDER

AND NOW, this ____ day of _____ 2012, upon consideration of the Liquidator's Petition for Approval of the Commutation, Settlement Agreement and Release ("Settlement Agreement") among Reliance Insurance Company ("Reliance" or "Estate") and Hannover Rueckversicherung AG and E + S Rueckversicherung AG, formerly known as Eisen und Stahl Rueckversicherungs (collectively, the "Reinsurer") submitted by the Liquidator of Reliance Insurance Company ("Liquidator"):

The Court ACCEPTS the Liquidator's representations that the Settlement Agreement is in the best interest of the Estate, as the Settlement Agreement allows the Liquidator to terminate and commute the obligations of the Reinsurer under the Ceded Contracts and the Estate will receive an economic benefit amounting to \$4,790,789;

Further, the Court accepts the Liquidator's representations that the Settlement Agreement is a fair and reasonable settlement of the Reinsurer's obligations to the Estate under the Ceded Contracts, taking into account the commutation of the Assumed Contracts, and that the payment contemplated under the Settlement Agreement constitutes fair and reasonable value to the Estate;

Accordingly, the Court accepts the Liquidator's representations and based thereon approves the Commutation, Settlement Agreement and Release.

IN RE: *Commutation, Settlement Agreement and Release among
Reliance Insurance Company (In Liquidation) and
Hannover Rueckversicherung AG and E + S Rueckversicherung AG,
formerly known as Eisen und Stahl Rueckversicherungs AG*

**Liquidator's Petition For Approval Of
Commutation, Settlement Agreement And Release**

Petitioner Michael F. Consedine, Insurance Commissioner for the Commonwealth of Pennsylvania, in his capacity as Statutory Liquidator ("Liquidator") of Reliance Insurance Company ("Reliance" or "Estate"), respectfully requests that this Court enter an Order approving the Commutation, Settlement Agreement and Release ("Settlement Agreement"), attached hereto as Exhibit A, between Reliance and Hannover Rueckversicherung AG and E + S Rueckversicherung AG formerly known as Eisen und Stahl Rueckversicherungs AG (hereinafter collectively referred to as the "Reinsurer"). In support of this Petition, the Liquidator avers the following:

1. On October 3, 2001, this Court found Reliance insolvent and appointed the Commissioner as Liquidator of Reliance pursuant to Article V of the Insurance Department Act of 1921, 40 P.S. §221.1 et seq. ("Act"). The Act confers broad powers on the Liquidator to

marshal the assets of Reliance in order to maximize the value of the insolvent insurer's estate for eventual distribution to its policyholders and creditors.

2. The Act authorizes the Liquidator to take such actions as deemed "necessary or expedient to . . . conserve or protect [the insolvent insurer's] assets or property" including the power to "compromise" claims involving assets of the insolvent insurer in order to accomplish or aid in achieving the purposes of liquidation. See 40 P.S. §221.23 (6, 9, and 23).

3. One way in which the Liquidator "compromises" claims and "conserves" assets is through commutation. A commutation is a settlement agreement reached between a reinsured and its reinsurer by which the reinsurance obligation is terminated through an agreement by the reinsurer to pay funds that are both due and not yet due under the reinsurance agreement.

4. Prior to entering into a commutation, Reliance staff takes several steps, including the following, to ensure that the commutation is fair and reasonable to the Estate and in the best interests of its policyholders, claimants and the general public:

(a) Reliance staff develops a complete list of reinsurance agreements to be included in the commutation;

(b) Reinsurance accounting specialists for Reliance verify balances and reconcile differences with the reinsurer;

(c) The Reliance claims staff reviews ceded case reserves and, when applicable, assumed case reserves;

(d) Actuaries for Reliance determine the projected ultimate loss, discounted and undiscounted, taking into consideration specific contract features such as reinstatement premiums, sliding scale rates, commission adjustments and/or loss corridors¹ as well as the impact of other applicable reinsurance and off-sets;

¹ A loss corridor is a mechanism contained in certain reinsurance agreements that requires the ceding

(e) Reliance staff and the reinsurer exchange commutation proposals and discuss justifications;

(f) Reliance staff evaluate the commutation proposal based on nominal results, the discounted results, the volatility and trends of the business, disputed issues, costs of litigation and any administrative savings; and

(g) Reliance staff and the reinsurer secure any required approvals.

5. The Liquidator has established a Commutation Working Group which performs accounting and data reconciliations, actuarial analyses, and claims reviews and analyses. The Commutation Working Group is largely comprised of several key senior management employees, each of whom has over 20 years of insurance and reinsurance experience.

6. In addition, the Liquidator has established a Commutation Committee, consisting of the Chief Liquidation Officer, the Chief Actuary and the Executive Vice-President for Reinsurance who, along with the Vice-President for Commutations, review all commutation proposals. Any commutation in excess of \$1,000,000 must be approved by the Commutation Committee and the approval was provided in this case.

7. In addition, Reliance's independent consulting actuaries, PricewaterhouseCoopers, have reviewed Reliance's commutation approach both generally and with respect to certain individual transactions and have concluded that the process Reliance utilizes to estimate liabilities ceded to reinsurers and liabilities on assumed business, when applicable, is reasonable for commutation purposes.

8. Through this Settlement Agreement, Reliance's objective is to settle and finalize its relationship with the Reinsurer for all assumed and ceded reinsurance contracts not commuted

insurer to be responsible for a certain amount of the ultimate net loss that is above the company's designated retention and below the designated limit, and which would otherwise be reimbursed under the reinsurance agreement. A loss corridor is usually expressed as a loss ratio percentage of the reinsurer's earned premium, or a combined ratio if the reinsurance agreement provides for a ceding commission to the company. Loss corridors are employed to mitigate the volatility of reinsurance agreements.

by separate agreements or otherwise excluded under the Settlement Agreement. As a result, other than the two specifically identified excluded items listed in the Settlement Agreement, the Settlement Agreement includes the commutation of both the participation of the Reinsurer with Reliance in all previously uncommuted ceded reinsurance agreements (the "Ceded Contracts") as well as all previously uncommuted assumed reinsurance agreements under which Reliance obligated itself to accept from the Reinsurer a certain percentage of the liabilities of the Reinsurer (the "Assumed Contracts"). The Ceded Contracts and the Assumed Contracts are specifically listed in Exhibit A of the Settlement Agreement (the "Reinsurance Agreements") as the Schedule I Contracts and the Schedule II Contracts, respectively.

9. Collectively, the Ceded Contracts cover a variety of losses and lines of business, including Accident & Health, Aviation Liability, Boiler & Machinery, Directors & Officers Liability, Environmental Liability, Fidelity, General Liability, Health Care Professional Liability, Marine, Surety, Property and Umbrella Liability.

10. As part of its due diligence for this Settlement Agreement, senior Reliance actuarial and claims personnel conducted a review of relevant claims under the Ceded Contracts in order both to verify the reasonableness of the case reserves and to project the timing of payments for each relevant claim. These case reserves are not discounted for the time value of money.

11. Reliance actuaries then conducted an in-depth analysis to determine appropriate commutation values for the Ceded Contracts. In order to develop the actuarial estimates, Reliance's actuarial model used a variety of traditional and generally accepted actuarial methods. The resulting value is then discounted for the time value of money.

12. Due to the small sums involved with the two Assumed Contracts, Reliance actuaries utilized a streamlined approach to verify the value collectively assumed or to be assumed by Reliance from the Reinsurer under the Assumed Contracts and the Reinsurer and

Reliance agreed on that value. Reliance also determined that the language of the relevant contracts did not restrict offsets.

Settlement Agreement

13. Reliance then negotiated with the Reinsurer to commute its obligations under the Ceded Contracts, taking into account the commutation of the Assumed Contracts, for an agreed amount of \$4,790,789 which is acceptable based upon the range of values established by the Reliance actuaries for the Ceded Contracts and the value agreed on by Reliance and the Reinsurer for the Assumed Contracts and entered into the Settlement Agreement, subject to the approval of this Court. The Settlement Agreement settles with certainty the claims against the Reinsurer for losses under the Ceded Contracts, taking into account the commutation of the Assumed Contracts.

14. Specifically, the Settlement Agreement provides that the Reinsurer shall pay Reliance \$4,790,789 (the "Commutation Amount") to commute its obligations under the Ceded Contracts, taking into account the commutation of the Assumed Contracts, within ten (10) calendar days from when the Reinsurer is notified that this Court has approved the Settlement Agreement. The Commutation Amount was negotiated with the Reinsurer, and the Liquidator has taken the necessary steps to determine, and has concluded, that the terms of the Settlement Agreement are fair and reasonable to the Estate and in the best interest of the policyholders, claimants and the general public. See 40 P.S. §§ 221.1(c), 221.23(9).

15. Based on the analysis of the terms of the Settlement Agreement and the evaluation of the transaction as a whole by the Liquidator's staff and Reliance staff members familiar with the business dealings under the Reinsurance Agreements, the Liquidator has determined that payment of the Commutation Amount by the Reinsurer is a fair and reasonable

commutation of the Reinsurer's obligations to Reliance under the Ceded Contracts, taking into account the commutation of the Assumed Contracts. In the event the Court does not grant the approval sought in the Petition, the Settlement Agreement will become null and void.

16. Keith Kaplan, Executive Vice President for Reinsurance at Reliance, is responsible for all facets of ceded and assumed reinsurance at Reliance, including accounting, billing, claims, commutations, coverage analysis, and dispute management. He has specific knowledge regarding the risks to the Estate of attempting to collect reinsurance through billing, negotiation or the dispute resolution process. As set forth in his Confidential Affidavit (attached as Sealed Exhibit B), Mr. Kaplan has identified several specific advantages to the Estate arising from the consummation of the transactions memorialized in the Settlement Agreement.

17. The Settlement Agreement will further achievement of the liquidation objectives under the Act. The commutation will assist the Liquidator in marshalling and maximizing Reliance's immediately available assets while minimizing any unavoidable loss to policyholders, claimants and creditors resulting from the Reliance insolvency. See 40 P.S. §221.21(1)(c).

(a) First, the Settlement Agreement converts future reinsurance obligations into immediate cash for the Estate. Specifically, the Estate receives a payment of \$4,790,789 which can be invested until it is distributed.

(b) Second, the Settlement Agreement eliminates both the internal and external administrative costs associated with continued reporting and collection efforts, including legal fees.

(c) Third, the Settlement Agreement eliminates any potential future credit risk associated with collection of the reinsurance proceeds in the event that the Reinsurer becomes insolvent.

(d) Fourth, no person or firm has or will earn any contingent fee or extra

remuneration of any type as a direct result of this transaction.

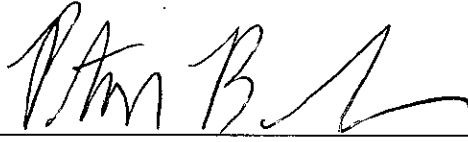

18. Under the terms of the Settlement Agreement, the commutation will be fully consummated upon satisfaction of the following conditions:

- a. approval of the transaction by this Court;
- b. appropriate notice to the Reinsurer of Court approval; and
- c. payment by the Reinsurer of \$4,790,789.

WHEREFORE, the Liquidator respectfully requests that this Court enter an Order in the form attached hereto:

- (a) Finding that the Settlement Agreement and Commutation Amount are in the best interest of the Estate;
- (b) Finding that the Settlement Agreement is a fair and reasonable settlement of the Reinsurer's obligations under the Reinsurance Agreements;
- (c) Finding the payment contemplated by the Settlement Agreement constitutes fair and reasonable value to the Estate; and
- (d) Approving the terms of the Settlement Agreement attached as Exhibit A.

Respectfully submitted,

RECITALS

A. Reliance, as a cedant, and Hannover, as a reinsurer, entered into contracts of reinsurance, as set out on Exhibit A attached hereto and herein collectively referred to as the "Schedule I Contracts", wherein Hannover obligated itself to accept from Reliance the cession of a certain percentage of liabilities with respect to risks written or assumed by Reliance and/or agents of Reliance; and

B. Reliance and Hannover agree that this Agreement shall not apply to any of the following two (2) specific exclusions listed below with respect to the Schedule I Contracts:

Reliance, as a reinsurer, and Hannover, as cedant, entered into a contract or contracts of reinsurance, herein collectively referred to as the "Schedule II Contracts" as also set out on Exhibit A attached hereto, wherein Reliance obligated itself to accept from Hannover the cession of a certain percentage of liabilities with respect to risks written or assumed by Hannover; and

D. The Schedule I Contracts and the Schedule II Contracts together are referred to as the "Reinsurance Agreements"; and

E. Hannover's obligations to Reliance under the Reinsurance Agreements are currently secured by the following three (3) letters of credit:

JH 1/4

Schedule I Contracts may become payable in the future rather than at present; that Hannover's future liabilities and obligations to Reliance pursuant to the Schedule I Contracts have been evaluated but cannot be determined in an amount certain at this time; that a settlement and commutation of Hannover's liabilities and obligations to Reliance under the Schedule I Contracts based upon present calculations of outstanding losses, including incurred but not reported losses, will eliminate the uncertainty of contingent liabilities for presently unresolved or unasserted claims; and that any such sums which are due by Hannover to Reliance under the Schedule I Contracts are susceptible to a settlement by way of offset between the Reinsurance Agreements; and

H. The parties hereto further recognize and understand that, based upon current economic projections, a substantial portion of Reliance's obligations to Hannover arising from the Schedule II Contracts may become payable in the future rather than at present; that Reliance's future liabilities and obligations to Hannover under the Schedule II Contracts have been evaluated but cannot be determined in an amount certain at this time; that a settlement and commutation of Reliance's obligations to Hannover under the Schedule II Contracts based upon present calculations of outstanding losses, including incurred but not reported losses, will eliminate the uncertainty of contingent liabilities for presently unresolved or unasserted claims; and that such sums which are due from Reliance to Hannover are susceptible to a settlement by way of offset between the Reinsurance Agreements; and

I. Hannover and Reliance agree that it is in each of their best interests and in the best interests of their respective policyholders and creditors to enter into a full and final commutation, settlement and release of all liabilities and obligations pursuant to the Reinsurance Agreements by entering into this Agreement.

NOW, THEREFORE, in consideration of the mutual benefits to be received by the parties hereto and the mutual covenants and agreements herein contained, the parties hereto hereby agree as follows:

Commutation and Release of Hannover

1. Subject to the receipt by Reliance of the Consideration as set out in Article 4 and Article 5 herein, taking into account the Offset as defined in Article 4, together with any accrued interest and collection expenses due as is more particularly described in Articles 9 (c) and 10 respectively below, and in further consideration of the release contained in Article 2 herein, Reliance hereby unconditionally and irrevocably releases Hannover, its predecessors, successors, assigns, shareholders, officers, directors, employees, agents, sub-agents, brokers and sub-brokers from One Hundred Percent (100%) of any and all past, present or future liabilities and obligations arising out of, in respect of or relating to Hannover's participation on the Reinsurance Agreements, including but not limited to all adjustments, obligations, liabilities, offsets, actions, causes of action, proofs of claim, suits, debts, sums of money, accounts, reckonings, bonds, bills, covenants, contracts, conversions, agreements, promises, damages, judgment claims, costs, expenses, losses and demands whatsoever, whether known or unknown, reported or unreported, suspected or unsuspected, by either or both parties, fixed or contingent, and whether existing or arising in the future arising out of, in respect of or relating to Hannover's participation on the Reinsurance Agreements, whether or not any of such Reinsurance Agreements are void or voidable. The releases contained in this Article 1 do not apply with respect to the Specific Exclusions which are specifically excluded from the scope of this Agreement. Further, the releases contained herein are only made on behalf of Reliance Insurance Company in its own right and as successor in interest by merger to its former subsidiaries shown on the attached Exhibit C and, without limiting the generality of the forgoing and except for the First Casualty Excess of Loss Reinsurance Agreement (Reliance treaty reference 852XAA), specifically do not apply to claims arising from business written by the Canadian Branch of Reliance Insurance Company, Reliance National Insurance Co. The releases contained in this Article 2 do not apply with respect to the Specific Exclusions which are specifically excluded from the scope of this Agreement.

No party hereto has transferred, assigned, or contracted to transfer or assign to any person, corporation, company or entity any of its rights, title, benefit or obligations directly arising out of or in connection with the Reinsurance Agreements, including without limitation any balances, accounts, costs, claims, counterclaims or demands which are within the contemplation of this Agreement.

d. As of the effective date of this Agreement, Hannover has not commuted or otherwise settled with or contracted to commute or settle with any person, corporation, company or entity any of its respective rights, title, benefit or obligations directly arising out or in connection with the participation of Reliance Insurance Company, in its own right and as successor in interest by merger to its former subsidiaries shown on the attached Exhibit C, in the Reinsurance Agreements, including without limitation any balances, accounts, costs, claims, counterclaims or demand which are within the contemplation of this Agreement. It is the intent of the parties that this warranty in Article 3d does not apply to any past or future commutation or settlement by Hannover with respect to the Reinsurance Agreements with any former non-domestic subsidiary that is not part of Reliance Insurance Company as a result of a merger, including the Canadian Branch of Reliance Insurance Company, Reliance National Insurance Co. (Europe) Limited, and Reliance National Asia RE PTE, Ltd.

Consideration and Offset to the Reinsurance Agreements

4. Hannover agrees to pay Reliance the total sum of Four Million Eight Hundred Thousand United States Dollars and No Cents (US\$4,800,000.00) ("the Schedule I Contracts Commutation Amount") and Hannover shall credit and offset the amount due from Reliance to

Hannover under the Schedule II Contracts of Nine Thousand Two Hundred Eleven United States Dollars and No Cents (US \$9,211.00) (the "Offset") against the Schedule I Contracts Commutation Amount. Hannover further agrees that the net difference between the Schedule I Contracts Commutation Amount and the Offset payable to Reliance is Four Million Seven Hundred Ninety Thousand Seven Hundred Eighty Nine United States Dollars and No Cents (US \$4,790,789.00) (the "Consideration"). Payment of the Consideration shall be made as follows:

- a. Reliance shall draw down on the LOCs for the total sum of Two Million Five Hundred Ten Thousand Fifty Three United States Dollars and Three Cents (\$2,510,053.03) as referenced in Recital E following notice to Hannover by facsimile of the execution by Reliance and the approval of the Agreement by the Commonwealth Court of Pennsylvania in accordance with Article 15 herein, and
- b. Hannover shall pay to Reliance the remaining Consideration of Two Million Two Hundred And Eighty Thousand Seven Hundred And Thirty Five United States Dollars and Ninety Seven Cents (\$2,280,735.97) into the account specified in Article 5 below no later than ten (10) calendar days following notice to Hannover by facsimile of the execution by Reliance and the approval of the Agreement by the Commonwealth Court of Pennsylvania in accordance with Article 15 herein (the "Payment Date"). Notwithstanding the foregoing, if the ten (10) day period expires on a weekend or a holiday, then the transfer must be completed by the end of the next business day.

The parties also agree that any claim recoveries including but not limited to salvage and subrogation, any escrow funds with third party claim administrators and any unremitted cash with intermediaries that relate to the Schedule I Contracts is the property of Reliance. It is understood that Reliance has no right of recovery of any retrocessional reinsurance inuring to the benefit of Hannover relating to the Schedule I Contracts. It is likewise understood that Hannover

has no right of recovery of any retrocessional reinsurance inuring to the benefit of Reliance relating to the Schedule II Contracts. The parties further agree that any claim recoveries, including but not limited to salvage and subrogation, any escrow funds with third party claim administrators and any unremitted cash with intermediaries that relate to the Schedule II Contracts is the property of Hannover.

Failure by Banks to Honor Reliance's Draw

5. In the event any of the Banks fails to honor Reliance's draw as set forth in Article 4(a) above within ten (10) calendar days of the respective Bank's receipt thereof, Hannover shall, no later than ten (10) calendar days following its receipt of notice from Reliance of any of the Banks' dishonor (the "Completion Date"), transfer

(i) Two Million Three Hundred Four Thousand One Hundred Eighty Eight United States Dollars and no Cents (\$2,304,188.00) in the case of JPMC's failure and

(ii) Two Hundred And Five Thousand Eight Hundred And Sixty Five United States Dollars and Three Cents (\$205,865.03) in the case of CB's failure

to the following account:

REDACTED

Within ten (10) business days of Reliance's actual receipt of the total amount of Consideration

pursuant to Article 4 or Article 5 herein, Reliance shall issue a notice to the Banks to release the LOCs. Reliance shall execute all instruments necessary to effect the releases but in no event will Reliance be liable for the Banks' failure or refusal to release the LOCs.

Successors and Assigns

6. This Agreement shall inure to the benefit of and bind Hannover and its successors and assigns and Reliance and its successors and assigns.

Independent Investigation

7. Each of the parties acknowledges that it has entered into this Agreement in reliance upon its own independent investigation and analysis of the Reinsurance Agreements and its respective rights and obligations thereunder, and not on the basis of any representation made or not made by any other party hereto. Each of the parties further acknowledges that it has read this Agreement, that it has had the opportunity to discuss it with legal counsel, and that it fully understands all of the terms herein.

Integration and Waiver

8. This Agreement shall constitute the entire agreement between the parties pertaining to the subject matter hereof and supersedes any and all prior or contemporaneous understandings or agreements. No supplement, modification, waiver or termination hereof shall be binding or enforceable unless executed in writing by the parties to be bound thereby. No delay, omission or forbearance on the part of any party to this Agreement in exercising or enforcing any right, power or remedy under this Agreement shall impair such right, power or remedy or operate as a waiver thereof. The single or partial exercise or enforcement of such right, power or remedy shall not preclude any other or further exercise or enforcement thereof or of any other right, power or remedy. The rights, powers and remedies provided in this Agreement are cumulative and not exclusive of any rights, powers and remedies provided by

law.

Remedies

9. In the event that Hannover fails to pay the Consideration to Reliance within ten (10) calendar days subsequent to the Completion Date, Reliance shall have all rights and remedies available at law or in equity. In addition, Reliance shall have the express right to:

a. deem the entire Agreement null and void by notice in writing to Hannover in accordance with Article 12 herein and to seek recovery of all sums due or to become due under the Reinsurance Agreements; or

b. bring suit on the Agreement including interest on the agreed-upon but unpaid amount as set out in Article 9 (c); or

c. without prejudice to Reliance's rights to rescind this Agreement pursuant to Article 9 (a) above, if Hannover does not pay all of the Consideration recited herein to Reliance within ten (10) calendar days subsequent to the Completion Date, Hannover shall pay interest on any unpaid sums that exist after the specified time required at a rate which is equal to one percentage point (1.00%) over the Prime Rate (the base rate on corporate loans at large U.S. money center commercial banks) as published in *The Wall Street Journal*, but in no event shall said interest be calculated at less than six percent (6%) per annum.

Expenses of Collection

10. Subject to the provisions of Article 9 (a) herein, if Hannover fails to pay the Consideration to Reliance within ten (10) calendar days subsequent to the Completion Date as required, Hannover agrees to reimburse Reliance for all reasonable expenses including, without limitation, attorneys' fees which are incurred by Reliance in the enforcement of this Agreement and collection of the Consideration, together with any interest accrued upon such reasonable expenses from the date of payment of such expenses at the rate set out in Article 9 (c) above.

12/1/08

Choice of Laws

11. The performance and interpretation of this Agreement shall be governed by the laws of the Commonwealth of Pennsylvania, without regard to conflicts of law principles, with respect to any dispute arising under this Agreement between Hannover and Reliance.

12. All notices required under this Agreement shall be as follows:

a. Any notice or other communication under or in connection with this Agreement shall be in writing and shall be delivered personally or sent by first class post/mail (or by air mail if overseas) or by overnight courier service, to the addresses of the parties as set out in Exhibit B attached hereto or to such other person or address as any party may specify by notice in writing to the others.

13. The language of this Agreement is the result of negotiation between all parties hereto, and any ambiguities in said language shall not be presumptively construed against or in favor of any party or parties hereto.

Execution and Approval

14. Except as disclosed in Article 16, each party to this Agreement warrants and represents that it has full authority to enter into this Agreement and the transactions contemplated herein.

15. Except as disclosed in Article 16, each signatory to this Agreement warrants and represents that said signatory is authorized and empowered to execute this Agreement and the transactions contemplated herein and that any and all required corporate approval on behalf of Hannover has been properly executed and that the Agreement is entered into voluntarily.

16. With respect to Reliance, this Agreement is subject to final approval by the Commonwealth Court of Pennsylvania (the "Court"), which has jurisdiction over the liquidation of Reliance. Upon execution by all parties hereto, the Liquidator of Reliance shall promptly make application to the Court to secure said approval. In the event the Court does not approve this Agreement, then upon such notice of disapproval, the Liquidator of Reliance shall notify the Reinsurer and this Agreement will become null and void and have no further force or effect as between the Reinsurer and Reliance.

17. This Agreement may be signed and exchanged in counterpart by facsimile and this Agreement as so signed and exchanged will constitute the binding Agreement of the parties.
